

Aloha Advantage

Live Purposefully. Lead Boldly. Love Deeply.

Aloha Advantage by Cynthia Yamasaki

Aloha Advantage offers a meaningful framework for understanding and applying the values of Aloha in diverse settings—personal, professional, and community-wide. In collaboration with ID8.org, a Hawai'i-based nonprofit, I support Project Shaka and other programs to share good ideas and Aloha to All.

Add Aloha to Life Life Coaching for Leaders

I coach professionals and leaders who aspire to achieve more than mere success—those who crave alignment, depth, and meaning in both their personal and professional lives. Together, we reconnect with your inner compass, envision new possibilities, and progress with clarity and a revitalized sense of purpose.

"Working with Cynthia has been a truly unique and enriching experience. The executive coaching sessions have significantly contributed to my development, growth, and understanding of new perspectives and strategies."

"During our sessions, I learned that challenges become fuel for growth and that the use of empathy strengthens our mastery of helping others. Conflict can be a gift for deepening trust. Practicing daily self-care is a must to stay grounded and focused."

"I deeply appreciate your patience and insight in understanding me, my culture, and my values." ~ VS

Summarized testimonial from T-Shirt Company Client
Success Story featured in [CareerChangers TV](#) (YouTube)

"...Strongly recommend Cynthia for her ability to energize organizations, align teams around shared values, reduce turnover, and strengthen customer service culture. They highlight her innovative, high-energy approach, her blend of leadership coaching and practical business acumen, and her skill in making workshops both engaging and transformative..."
